

Oceanic Teak Furniture

Oval & Rectangular Extending Table Assembly

There are just 4 parts – Table Top / Leg Cross Section / Leg Right Section / Leg Left Section

Hardware included - 4 long brass bolts (2in) / 4 short brass bolts (1.25in) / Allen Wrench

Tools required – Wooden or Rubber Mallet

You will see there are coded stickers on the parts, make sure you align the relevant stickers to ensure the furniture is assembled correctly.

You may need to use a wooden or rubber mallet to tap the sections into place and ensure they are slotted together securely.

1. Lay one leg section on its side with the holes facing up.
2. Insert the leg cross section making sure any stickers are lined up and ensuring it is slotted fully and securely into place
3. Insert the remaining leg section making sure any stickers are lined up and ensuring it is slotted securely & fully into place
4. Using the 4 long brass bolts, secure the leg sections, you may need to tap them into place with the wooden/rubber mallet. Hand tighten.
5. Place the table top side down (use some of the packaging cardboard to protect the top while it is upside down)
6. Place the completed leg section into place making sure any stickers are lined up and tap securely & fully into place.
7. Using the 4 short bolts, secure the leg section to the table top. Hand tighten.
8. Use the enclosed Allen wrench to fully tighten all 8 brass bolts.
9. Carefully turn the table over and place it onto its legs (you may need help at this point).
10. When positioning table always lift the table, do not drag it.
